### ***Abstract***

This law directs persons wanting to install and/or modify any animal waste storage facility where to submit their proposal.

### ***Resource***

Town of Batavia NY Animal Waste Storage Facilities  
Code of the town of Batavia NY  
Chapter 235: Zoning  
General Code

§ 235-46. Animal waste storage facilities.

All proposals for installation and/or modification of animal waste storage facilities shall be submitted to the Genesee County Soil and Water Conservation District (GCSWCD) or United States Natural Resources Conservation Service (NRCS) for its review and determination as to acceptability. If a proposal is acceptable to GCSWCD or NRCS then the Planning Board will consider the potential impacts posed by such a facility upon surrounding land uses prior to taking final action.
